

First Think - Then Pray

First Think Then Pray is not a book about the theory of prayer. The insights offered are the fruit from more than thirty years of the author seeking the life in Christ as his way of life. The Apostle Paul calls the church to live in complete harmony with each other, as is fitting for followers of Christ Jesus. Then all of you can join together with one voice, giving praise and glory to God, the Father of our Lord Jesus Christ (Romans 15: 5-6). Our life in harmony, our one voice praising God, comes through being unified in our understanding and practice of prayer. First Think Then Pray will help Christians reach out for this common understanding and practice of prayer in the life of their church.
