

## The Tale of Benjamin Bunny (Illustrated) (The Tales of Beatrix Potter Book 4)

All original illustrations remastered and digitally enhanced. Benjamin Bunny, the cousin of Peter Rabbit, was inspired in a real rabbit, the first that belonged to Beatrix Potter. He is an abject coward, she wrote, but believes in bluster, could stare our old dog out of countenance, chase a cat that has turned tail. He was also a very handsome rabbit. This book contains many views of Fawe Park, in the Lake District, that Beatrix Potter sketched while on holiday. It was first published in 1904.
