

The Unseen Power: You May Not Know What You Are Worth Until You Are Challenged

The first thing Satan does when trying to get your attention is to disconnect your mind from the root from Gods plans, right people, appointed places, and from godly companions, thus leaving you a dry land. You need power to reclaim your life back. The Unseen Power reconnects you back to the roots. The Unseen Power revealed Three mysteries that shapes your life, namely: God, Satan, and You. How your destiny can be terminated through the works of the unseen world. How you can identify and use the power in you. Some hidden sieges suffered by many Christians. How hungry the world is for the power in you. How vacuums have been created for evil to thrive in the world. Gods hunt for ordinary men who will liberate the world. A message for the church, families, believers, youths, government, and for the world.
