

A-level Chemistry Condensed Revision Notes Edexcel Year 1 & AS (2015): Designed to Facilitate Memorization (Chemistry Revision Cards Book 3)

Tired of writing your own revision notes? Unsure what to put in and what to leave out? Use professional ones! These condensed revision notes (flashcards) are designed to facilitate memorization. They have been created by a very experienced Chemistry tutor. They contain all the necessary exam knowledge in a short, easy to memorize form. Each page covers the key facts, such as definitions or equations, of a single topic, without the distraction of unnecessary information. Knowing them by heart makes it easy to achieve top grades. Tried, tested and proven by past tuition students they are an effective and successful way to prepare for exams. They have been adapted to the new Edexcel Chemistry A-level Year 1 & AS syllabus (from Sept 2015). This book is organized in chapters according to the syllabus, which allows natural progression in sync with your school work. Created with great care, it includes important information specific to exam questions. The low price offers great value and gives many students the opportunity to experience its benefits. For the cost of a hot drink you will save hours of painstaking note writing. This eBook is much more convenient than bulky, messy paper notes. Carry it with you on your smartphone, tablet or laptop wherever and whenever you want. Memorize on the bus or while you wait. Find topics in an instant with the search function. Try it now! Please note: This eBook cannot be opened with the Kindle Reading App for Windows 8. Please, use the Kindle Desktop Program (<http://www.amazon.com/gp/kindle/pc/download>) instead. Unfortunately it also seems not to be compatible with windows 8 phones or Kindle E-readers at present. This might change with new program updates.
