

Alices Adventures in Wonderland

For a century and a half Alices Adventures in Wonderland, Lewis Carrolls classic story of logic and lunacy, has delighted young and old alike. Gorgeously illustrated, this award-winning rendition is full of warmth and humour. The whole approach is contemporary and accessible: Alice herself is a child of today - casually dressed, personable, spirited. In Helen Oxenburys hands, the topsy-turvy world of Wonderland is a wondrous place indeed!
