

Dear Mommy: (Paperback Edition)

This little story is about the thoughts and sayings of my oldest daughter when she was about one and a half as told by our Aunt Edy. My wife was having our second child, Keir, and this is what went through my daughters mind as seen by her Aunt prior to my wifes delivery. As mentioned in the preface, its her account, in Taras words, of four long days taking care of Tara and writing down Taras thoughts and actions of Tara during that time when our daughter was being born.
