

Lady Lettice Vi-Countess Falkland (Classic Reprint)

Excerpt from Lady Lettice Vi-Countess Falkland
It is not growing like a tree
In bulk, doth make men better be;
Or standing long an oak, three hundred year,
To fall a log at last, dry, bald and sere.
A lily of a day
Is fairer far in May.
Although it fall and die that night,
It was the plant and flower of light.
In small proportions we just beauties see,
And in short measures life may perfect be.
Ben Jonson : Ode to the Memory of Henry Morison.
