

## The Lords Prayer: Being the Last Eight Discourses (Classic Reprint)

Excerpt from The Lords Prayer: Being the Last Eight Discourses  
The Lords Prayer, given by Jesus to his disciples at their request, stands at the head of the worship of mankind. It is repeated by children at their mothers knee; it is uttered in the faltering accents of age; it soothes the ear of the dying; It comforts the solitary mourner; it is chanted every day in the liturgies of nations. However often this prayer may be repeated, it never grows old, is never left behind in the advance of thought. It is as dear to the heart of the sage as to the most ignorant of mankind. The sinner, who dares not utter any words of his own, gathers peace from the words which remain in his heart from his innocent childhood. Divine form, which has no formality; endless repetition, always fresh and new!About the PublisherForgotten Books publishes hundreds of thousands of rare and classic books.
