

Test for Success: Windows/Macintosh: Maths

Designed for 11-14 year-olds, this CD-ROM tests and develops knowledge in mathematics, including general numeracy, algebra, handling data, shape, space and measurements. It offers 1300 questions and provides coverage of Key Stage 3 of the National Curriculum, Scottish Pre-Standard Grade and Irish Pre-Junior Certificate. Containing explanatory text and animation to reinforce learning, this study aid can be tailored to individual abilities and interests, creating a curriculum-based and personalized study course.
