

Mommy, am I pretty?

Once there was a girl named Molly who wondered what it meant to be pretty. So she asked her mother, Mommy, am I pretty? Molly learns that being pretty means much more than how you look on the outside. MARGOT DENOMME practices law in Toronto, Ontario where she lives with her husband Rob and two daughters. As a mother she is keenly aware of the negative effects media has on growing girls and wrote this book to encourage dialogue between parents, grandparents, caregivers, teachers, and young girls with a view to empower and teach them that true beauty lies within each and every one of them. Since publishing Mommy, Am I Pretty? her message has resonated with prominent Canadian groups and organizers including, The Pediatric Dentistry and Maxillofacial Surgery division of the Hospital for Sick Children and The Dove Self-Esteem Fund Real Beauty campaign.
