

Natural History of Animals: Containing Brief Descriptions of the Animals Figured en Tenneys (Classic Reprint)

This little volume contains a brief account of the Animal Kingdom, and it is hoped that it may aid Parents and Teachers in interesting the young in the delightful and important study of Natural History. As indicated on the title-page, it serves the purpose of a key to the Natural History Tablets, but is also complete in itself without the Tablets. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text. Read books online for free at www.forgottenbooks.org
