

Surprised By God: A Journey of Divine Discovery

This book offers the reader a greater intimacy with God, a greater sense of connection with Him which will lead to deeper levels of peace, love and joy they can experience in life in both good times and bad. The ultimate benefit of reading this book will be the readers belief that an abiding, personal, intimate, even emotional relationship with God is possible, a hunger to experience that and a pathway to pursue it. (Rich Blue)
