

## Pearls Within: empower yourself to make the change

Have you ever wondered why you keep falling into the same patterns in life, or even why your life has shaped out the way it has? We never really think about where our molding comes from, we just put it all down to genetic make-up. This intriguing, thought provoking book unlocks how the backdrop came about on your stage and how the different characters influenced this. It takes you through a journey to discover the answers to these questions with an insight in every chapter providing you with a self-discovery in a new dimension.
