

How To Raise Your Childs Emotional Intelligence: 101 Ways To Bring Out The Best In Your Children And Yourself

How To Raise Your Childs Emotional Intelligence: 101 Ways To Bring Out The Best In Your Children And Yourself provides parents with specific guidelines for raising the emotional intelligence of their children from infancy to adolescence. It builds on the idea that parents play a crucial role in determining the emotional intelligence (EQ) of their children--not only in the way they interact with their children but in the way they manage their own emotional and social lives. Through practical suggestions, lively stories, and inspirational quotes, How To Raise Your Childs Emotional Intelligence, gives parents realistic ways to nourish EQ as they go through the process of daily living. It is the hope of Drs. Allen and Geraldine Nagy that parents from all walks of life will use this book to inspire themselves and their partners, and to raise confident, responsible, honest, assertive, kind, and goal oriented children. Because of the warm, inspirational writing style, this book is an excellent gift for Moms, Dads, or anyone that cares about children.
