

Read Matthew to Live Your Life, Read John to Save Your Soul: The Best Advice I Ever Got

I recommend Dr. Kindred's book to anyone who has the desire to gain a fuller, more tangible understanding of the words of Jesus Christ. The author's very personal account of his own experiences may give others a point of reference in their own lives. -Lou Angora, Executive Producer, Morning Light Films

As I was going through a terrible trial in my life, I remembered something that my mom had said to me when I was a teenager. She said, Read Matthew to live your life, read John to save your soul. That turned out to be the best advice I ever got! I started talking to other people, sharing this with them, and I was amazed to find that so few knew what Jesus said. This led me to write this book to tell everyone what Christ said about how to live your life and how to save your soul. He gave us a how to guide. His message is clear and concise and doesn't need a lot of interpretation. He says what He means, and He means what He says. It is pure truth!
