

Blessings (A Little Book of Graces)

The Graces in this page-a-day calendar come from many sources. Some are favourite blessings of the authors friends, while others are ancient, dating back hundreds of years. A few are lines from old hymns and some are direct quotes from scripture. The rest are composed by Gwyneth Whilsmith. All are short, and will appeal to both young and old. Graces for special occasions are at the back of the book.
