

## Self-Unfoldment Class Lessons and Lectures, Vol. 5 (Classic Reprint)

Excerpt from Self-Unfoldment Class Lessons and Lectures, Vol. 5 For sixteen years the substance of the following Lessons and Lectures have been given to my Classes in all the leading Cities from New York to San Francisco and at many Camps and Chautauquas. There have been so many requests for their publication in book form that I send out this first series of them with Greetings to my many thousands of students and a fervent Prayer that they may prove helpful in the work of Self Unfoldment.
