

## Kidss book: Sleep Tight (picture kids book, ages 2-6) (Bedtime stories childrens ebook collection 3)

As night comes, a little kid is having trouble going to sleep. So he brings his teddy bear from the shelf. But then, other friends join in... And soon enough the boy finds out there is no longer room for him in the bed. So, what happened next? I'd tell you, but I have to sleep now. This kids book is suitable as a read aloud book for preschoolers or a self-read kids book for older children.
