

# Study Skills Workbook for Elementary Algebra

This study skills workbook, written by Alan Bass, expands upon George Woodburys study skills feature in the text, *Building Your Study Strategy*, and introduces new topics to help students be more successful in developmental math. Topics include: time management, note-taking, homework, and test preparation skills, overcoming math anxiety, among other topics. This no-nonsense approach to developing better math study skills provides students with the basic skills needed to be successful in developmental math.
