

## Spiritual Basic Training

There are guides to reaching physical fitness and those for reaching mental fitness-but there are very few books intended to help you reach spiritual fitness.

In *Spiritual Basic Training*, author Chris Benjamin does just that, offering a motivating spark to ignite righteous living for Gods glory. Benjamin provides a positive message full of the Holy Scriptures, so every thought comes from the Bible. New believers will find guidance on how to start building a spiritual relationship with God. To those who have already been believers, *Spiritual Basic Training* will get you back to center with God and push you to step out in conquering faith in Him. Creative missions will help everyone move in the direction of achieving a Spirit-filled, spiritually fit life. By the completion of *Spiritual Basic Training*, you will be building a quality life, with God at the center. If you believe in God, the resurrection of Jesus Christ our Savior, and the power of the Holy Spirit in each of us, then without a doubt you must center yourself in the Lord for your salvation. *Spiritual Basic Training* can help lead the way. Remember, it is not only ourselves we can help to save by our faith and actions, but our families, our friends, and all of Gods children of the world.
