

Lectures on Mental Science: The Edinburgh and Dore Lectures

One of the most influential authors within the New Thought movement, Thomas Troward's works have helped thousands. Collected here are two of his most poignant works; The Edinburgh Lecture on Mental Science and The Dore Lecture on Mental Science - both of which have been cited as influences for other popular books including The Secret. The President of the New Thought Alliance, Troward's work is a must for fans of Ernest Holmes and Charles Fillmore or for anyone looking to improve their mental outlook as it relates to the physical and spiritual world around us.
