

The Hound of the Baskervilles (Mystery and Imagination)

Upon the ground around the body were the footprints of a gigantic hound! When Sir Charles Baskerville is found dead, his face distorted with shock and horror, Sherlock Holmes and Dr Watson are faced with a sinister and difficult puzzle. A fearsome creature stalks the wild and barren hills of Dartmoor. Is it a demon from the spirit world? Will it defeat their skill and courage? Who is the tall, mysterious figure seen lurking on the moor at night? Can Holmes save Sir Henry, the new owner of Baskerville Hall, from the ancient family curse? Or will the terrifying hound claim yet another victim? Real Reads are accessible texts designed to support the literacy development of primary and lower secondary age children while introducing them to the riches of our international literary heritage. Each book is a retelling of a work of great literature from one of the worlds greatest cultures, fitted into a 64-page book, making classic stories, dramas and histories available to intelligent young readers as a bridge to the full texts, to language students wanting access to other cultures, and to adult readers who are unlikely ever to read the original versions.
