Favored Periodical Again let us thank you for the twenty-five copies of The Link just received for distribution to our patients. This is one of the favored periodicals they ask for and receive happily.- Joseph C. Elmer. Chaplain, VA Hospital, Spokane, Washington. (We supply a number of copies of The Link for free to groups like this. Any of you who like to help us pay the printing bill will be doing a great service.)

How Link Is Used in Okinawa Overseas I used the study articles of The Link as the basis for a mid-week Bible class. This proved to be quite effective. The topics were always timely, and with the variety of authors they were fresh and stimulating. Another reason why I chose to use them in this way was the supply problem in such a remote area. With only a supply of the magazines and Bibles, an enlightening series of Bible classes could be conducted month after month.- LT Alden L. Thompson. CHC, USNR, 11th Marine Regiment, First Marine Division (Reinf) FMF, Camp Pendleton, Calif.

Bouquet From an Author After nearly two and one half years of free lance writing, I can say from experience that The Link is the most efficient, finest and fairest publication I've had the pleasure of contributing to.- Bob Pratt, 1377 Main St., Lynnfield, Mass.
