

The Mill on the Floss (George Eliot)

Why was this feeling of regret so familiar to her? Why must she always wish she had done something different? Maggie Tulliver and her brother Tom grow up in the Mill on the River Floss. Although Maggie adores Tom, she often finds him cruel and cold. All she wants is for life to be full and warm. The Tulliver family's traditional way of living is threatened by changes beyond their control. Will the educated world of lawyers and lawsuits destroy what generations have enjoyed? As Maggie grows into adulthood, how can she control her passionate nature? With a destiny like an unmapped river full, deep and rapid where will love and desire lead her? Where will it all end? Real Reads are accessible texts designed to support the literacy development of primary and lower secondary age children while introducing them to the riches of our international literary heritage. Each book is a retelling of a work of great literature from one of the world's greatest cultures, fitted into a 64-page book, making classic stories, dramas and histories available to intelligent young readers as a bridge to the full texts, to language students wanting access to other cultures, and to adult readers who are unlikely ever to read the original versions.
