

Quest For The Truth

Just like in a jungle, you need a compass and a map to get out of the jungle, likened to it is life. Its said that life is nothing but a jungle, and because this is true, we need accurate directions to survive. Listen up; God has given divine instruction in Quest for the truth. This divine intervention being given because of the pleas that God has heard from people, since Adams time. In this book you will find out how to make better decisions in your life. Being able to do this, by the discernment you will gain, and also from the greater help that you will have from God and all the holy ones that are connected to his divine kingdom. See, quest for the truth is a book that God has blessed, so all the people in the land can learn about discernment. For when we learn about discernment, unhappiness and calamity is moved further away from us. And since we all are looking and hoping for more love, happiness, peace and wisdom in our lives, it is only when we gain discernment that these things are more abundantly supplied.
