(This book is with free audio book, and also readable on iPad and tablets.) One day when the tiger come out of the cave, it saw a small cat pacing up and down on the cliff flexibly. It hurriedly said: My teacher ,would you like to teach me how to bounce up and down? The small cat replied: If you promise not to eat me after you get the skill, I will teach you. When the training was finished this day, the teacher said to its apprentice: I have taught all I have to you, so you can leave me now.
