

On To China (Two Polar Bears Travel The World In Global Warming Book 4)

This is the fourth volume, of several encounters with two polar bears named Snow Glow and Glacia and their adventures together on the Alaska terrain and elsewhere. These two bears become iconic in their lives and a legend in their lifetimes together. It takes special bears to accomplish this feat, but they do it with grace and dignity. Learn about the secret lives of polar bears with new twists that mingle their lives with others. Come and explore new friends for life with two cuddly and intelligent polar bears like never before known in history. Come share the exploits and adventures of two world famous polar bears as they discover life together with their mamas. This is a color edition.
