

## 21 Day Journey of Inspiration (Mind Renewal Series Book 3)

Life is filled with experiences. Sometimes it helps when someone can pass along a baton of inspiration as we run the race of life. Life's victory comes when we finish our course. Instead of focusing on your neighbors' stride, it's best to pay attention to your own pace, lest you stumble. This is the 3rd book in The Mind Renewal Series. The Holy Scriptures declare that faith cometh by hearing. So as you travel from day to day, allow the written words to seep into your soul. Meditate if you have to and in time, your life will change for the good as your mind becomes renewed. Paperback Edition- Official Inspirational Workbook tk-ware.com
