

What Wags the World: Tales of Conscious Awakening

What Wags the World: Tales of Conscious Awakening is a topical and compelling collection of conscious awakening stories from more than 30 authors and filmmakers. Each contributor describes life-changing experiences that resulted in extraordinary transformation within their own life, and realizations of an interconnected and multidimensional universe. Their understanding of the world and how it works has been so profoundly changed that they feel compelled to share their story and pass on the gifts of wisdom, insight, and compassion they have gained.
