

WJEC A2 Chemistry: Study and Revision Guide

Written by senior examiners and endorsed by WJEC, this book includes everything you need for success in your study and exams. The only study and revision guide available that precisely matches the WJEC A2 Chemistry course you are studying - all you need to support you through your A2 course and prepare you for the exams. The book contains essential underpinning knowledge to support course study as well as revision. Features to aid study support include: / Numerous diagrams to clearly explain each concept. / Examiner pointers focus on understanding and using the underpinning knowledge. / Key terms are clearly defined on each page. / Quickfire questions check and reinforce your understanding. / Features to aid revision support include: / Q&A section provides numerous exam-style questions with two levels of student answers and examiner commentaries and marks so you can see where mistakes are typically made and where marks can be gained. / Exam practice and technique section offers advice on how exam questions are set and marked and how to boost grades. / Grade boost tips help refine exam technique, improve grades and avoid common mistakes. / Unit summaries provide a visual prompt for remembering key knowledge.
